Dear Requester:

Reference is made to your Freedom of Information Act/Privacy Act (FOIA/PA) request which was originally submitted to the United States Secret Service (USSS) on October 20, 2011, for information pertaining to mentoring or concerning Anonymous between 1/20/2001 and the date your request is processed.

In our letter to you, dated January 23, 2012, we advised you that the USSS searched its main indices, and any responsive records identified in connection with that search have been located and forwarded to this office for review and determination of releasability. However, we want to update you on the status of your request and let you know that your file has been reviewed, processed and is currently pending supervisory review.

Upon completion of the review, all documents that can be released will be made available to you. We are making every effort to reduce the backlog of cases, and we sincerely apologize for the delay you are experiencing and appreciate your continued patience.

If you have any questions or would like to discuss this matter, please contact this office at (202) 406-5838. Please use the file number indicated above in all future correspondence with this office.

Sincerely,
